

**TITLE 16. CALIFORNIA ARCHITECTS BOARD**  
**NOTICE OF PROPOSED CHANGES IN THE REGULATIONS**

NOTICE IS HEREBY GIVEN that the California Architects Board (Board) is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at the California Architects Board, 2420 Del Paso Road, Suite 105, Sacramento, California, at 2:00 p.m. on February 22, 2011. Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office at the above address not later than February 21, 2011 at 5:00 p.m. or at the hearing. The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposal substantially as described below or may modify such proposal if such modification is sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in the Notice as the contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

**Authority and Reference**

Pursuant to the authority vested by sections 5526, 5550, and 5552.5 of the Business and Professions Code, and to implement, interpret, or make specific sections 5550, 5552 and 5552.5 of said Code, the Board is considering changes to Division 2 of Title 16 of the California Code of Regulations (CCR) as follows:

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Section 5526 of the Business and Professions Code authorizes the Board to adopt, amend, modify, or repeal rules and regulations as are reasonably necessary to carry into effect the provisions of the Architects Practice Act. Section 5550 authorizes the Board to establish qualifications required to become eligible for examination and section 5552.5 authorizes the Board to implement an intern development program until July 1, 2012.

**Amend CCR Section 109 – Filing of Applications**

The existing regulation specifies that subdivisions (b)(2), (b)(7), and (b)(8) of CCR section 109, which contains provisions for the National Council of Architectural Registration Boards' (NCARB) Intern Development Program (IDP), Canadian Architectural Certification Board's Internship in Architecture Program (IAP), and the Board's Comprehensive Intern Development Program (CIDP) requirement, would be repealed on January 1, 2011. This proposal would strike the inoperative and repeal language from the regulation, as an intern development program sunset date is provided in section 5552.5 of the Business and Professions Code.

**Amend CCR Section 121 – Form of Examinations; Reciprocity**

The existing regulation specifies that subdivision (a)(2) of CCR section 121, which contains provisions for the NCARB's IDP, Canadian Architectural Certification Board's IAP, and the Board's CIDP requirement, would be repealed on January 1, 2011. This proposal would strike the inoperative and repeal language from the regulation, as an intern development program sunset date is provided in section 5552.5 of the Business and Professions Code.

**Effect on Housing Costs**

**Effect on Small Business**

The proposed regulatory action will not affect small businesses, because it affects only architect applicants.

Any interested person may present statements or arguments orally or in writing relevant to the above determination at the above-mentioned hearing.
