CALIFORNIA ARCHITECTS BOARD

FINAL STATEMENT OF REASONS

Hearing Date: November 23, 2015

Subject Matter of Proposed Regulations: Intern Development Program (IDP) Guidelines

Section Affected: Title 16, California Code of Regulations (CCR), Section 109

Updated Information

The Initial Statement of Reasons is included in the file. The information contained therein is updated as follows:

There was no update.

Local Mandate

A mandate is not imposed on local agencies or school districts.

Small Business Impact

This regulation will not have a significant adverse economic impact on small business.

Anticipated Benefits of This Regulatory Action

Aligning the Board's examination requirement with the national standard will facilitate reciprocal licensure in other United States jurisdictions, and the elimination of the elective hour requirement will allow candidates to complete IDP in a shorter amount of time. Consequently, the time to licensure will potentially be reduced.

Consideration of Alternatives

No reasonable alternative which was considered or that has otherwise been identified and brought to the attention of the board would be more effective in carrying out the purpose for which it was proposed or would be as effective and less burdensome to affected private persons than the adopted regulation or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

No other alternatives were considered.

Objections or Recommendations/Responses

There were no objections or recommendations regarding the proposed action.

Incorporated by Reference

The complete thirty-five (35) page July 2015 IDP Guidelines edition updates annually, and would be cumbersome and impractical to publish in the CCR.

The July 2015 IDP Guidelines was available for request directly from the Board as well as available through the National Council of Architectural Registration Boards.
