I. INTRODUCTION

To establish consistency in disciplinary penalties for similar offenses on a statewide basis, the California Architects Board (~~Board~~~~CAB hereinafter referred to as the Board~~) has adopted these uniform disciplinary guidelines for particular violations. This document, designed for use by Administrative Law Judges, attorneys, ~~architects~~~~Board licensees~~, others involved in the **Board's** disciplinary process, and ultimately the Board, shall ~~may~~ be revised from time to time and will be distributed to interested parties upon request.

These guidelines include general factors to be considered, probationary terms, and guidelines for specific offenses. The guidelines reference the statutory and regulatory provisions for specific offenses ~~are referenced to the statutory and regulatory provisions.~~

For purposes of this document, terms and conditions of probation are divided into two general categories: (1) Standard Conditions are those conditions of probation which will generally appear in all cases involving probation ~~as a standard term and condition~~; and (2) Optional Conditions are those conditions which address the specific circumstances of the case and require discretion to be exercised depending on the nature and circumstances of a particular case.

The Board recognizes ~~that~~ these recommended penalties and conditions of probation are merely guidelines, ~~and that~~ mitigating or aggravating circumstances ~~and/or~~ other factors may necessitate deviations, as discussed herein. If there are deviations from the guidelines, the Board would request that the Administrative Law Judge hearing the matter include an explanation in the Proposed Decision so that the circumstances can be better understood and evaluated by the Board upon review of the Proposed Decision and before final action is taken. All disciplinary actions will be published on the Internet to facilitate access under the California Public Records Act.

Additional copies of this document may be obtained by contacting the ~~Board~~~~CAB~~ at its office in Sacramento, California or accessing the document on-line at www.cab.ca.gov. There may be a charge assessed for providing paper copies sufficient to cover the direct costs of duplication~~production and distribution of copies.~~

II. GENERAL CONSIDERATIONS

A. Citations

This document covers considerations of disciplinary restrictions or penalties following the filing of an Accusation. For standards related to citations, please consult the Board's regulations commencing at Section 152 of Title 16 of the California Code of Regulations. The Board may issue a citation pursuant to Section 125.9 or 148 of the Business and Professions Code, and in accordance with Section 152 of Article 8 of Division 2 of Title 16 of the California Code of Regulations, as an alternate means to address relatively minor violations not necessarily warranting discipline.

B. Proposed Decisions - General Considerations

The Board requests that ~~p~~Proposed ~~d~~Decisions following administrative hearings include the following:

- a. Specific code sections violated, along with their descriptions~~definitions~~.
- b. Clear description of the underlying facts demonstrating the violation committed.
- c. Respondent's explanation of the violation if ~~he or/she is~~they are present at the hearing.
- d. Findings regarding aggravation, mitigation, and rehabilitation where appropriate.
- e. When suspension or probation is ordered, the Board requests that the disciplinary order include terms within the recommended guidelines for that offense unless the reason for departure from the recommended terms is clearly set forth in the findings and supported by the evidence.

C. Stipulated Settlements

The Board will consider stipulated settlements to promote cost effectiveness and to expedite disciplinary decisions if such agreements achieve its disciplinary objectives. Deputy Attorneys General should inquire as to respondent's interest in stipulated settlement promptly after receipt of a notice of defense. If stipulated settlement appears unlikely, the case should be set for hearing. It is the Board's policy that matters resolved by stipulation include cost recovery.

D. Cost Reimbursement

The Board seeks reimbursement of its investigative and prosecution costs in all disciplinary cases in which the licensee is found to have committed a violation. The costs include all charges incurred from the Office of the Attorney General, the Division of Investigation, and Board services, including but not limited to, expert consultant opinions and services. The Board seeks reimbursement of these costs because the burden for payment of the costs of investigation and prosecution of disciplinary cases should fall upon those whose proven conduct required investigation and prosecution, not upon the profession as a whole.

E. Criteria~~Factors~~ to be Considered

Substantially Related Criteria. The Board may deny, suspend, or revoke a license if the applicant or licensee has been convicted of a crime, professional misconduct, or act that is substantially related to the qualifications, functions, or duties of the profession, based on the criteria specified in section 110 of article 2 of division 2 of title 16 of the California Code of Regulations.

Rehabilitation Criteria. When considering the denial, revocation, or suspension of a license on the ground that the applicant or licensee has been convicted of a crime, or disciplined for professional misconduct, the denial is based on one or more of the grounds specified in Business and Professions Code section 5578, a suspension or revocation of a licensee on the grounds of a disciplinary action as described in Business and Professions Code section 141, or one or more of the grounds specified in Business and Professions Code Article 5 of Chapter 3.5 of Division 3 of the Code, the Board shall consider whether the applicant or licensee has made a showing of rehabilitation based on the criteria specified in section 110.1 of article 2 of division 2 of title 16 of the California Code of Regulations.

In determining whether revocation, suspension or probation is to be imposed in a given case, factors such as the following should be considered:

- ~~1. Nature and severity of the act(s), offense(s), or crime(s) under consideration.~~
- ~~2. Actual or potential harm to any consumer, client or the general public.~~
- ~~3. Prior disciplinary record.~~
- ~~4. Number and/or variety of current violations.~~
- ~~5. Mitigation evidence.~~
- ~~6. Rehabilitation evidence.~~
- ~~7. In the case of a criminal conviction, compliance with terms of sentence and/or court-ordered probation.~~
- ~~8. Overall criminal record.~~
- ~~9. Time passed since the act(s) or offense(s) occurred.~~
- ~~10. Whether or not the respondent cooperated with the Board's investigation, other law enforcement or regulatory agencies, and/or the injured parties.~~
- ~~11. Recognition by respondent of his or her wrongdoing and demonstration of corrective action to prevent recurrence.~~

F. Mitigation and Rehabilitation Evidence

The following are among mitigating circumstances that may be taken into account by ALJs in providing for penalties in proposed decisions:

- The licensee has cooperated with the Board's investigation, other law enforcement or regulatory agencies, and/or the injured parties.
- The passage of considerable time since an act of professional misconduct occurred with no evidence of recurrence or evidence of any other professional misconduct.
- Convincing proof of rehabilitation
- Demonstration of remorse by the licensee.
- Recognition by licensee of their wrongdoing and demonstration of corrective action to prevent recurrence.
- Violation was corrected without monetary losses to consumers and/or restitution was made in full.

The following are examples of types of evidence which the licensee/applicant (respondent) may submit to the Board to demonstrate their rehabilitative efforts and competency and the Board will review the evidence submitted:

- Recent, dated, written statements and/or performance evaluations from persons in positions of authority who have on-the-job knowledge of the respondent's work as an architect that include the period of time and capacity in which the person worked with the respondent. Such reports must be signed under penalty of perjury and will be subject to verification by Board staff.
- Recent, dated, letters from counselors regarding the respondent's participation in a rehabilitation or recovery program, which should include at least a description and requirements of the program, a therapist or mental health professional's diagnosis of the condition and current state of recovery, and the therapist or mental health professional's basis for determining rehabilitation. Such letters and reports will be subject to verification by Board staff.
- Recent, dated letters describing the respondent's participation in support groups, (e.g., Alcoholics Anonymous, Narcotics Anonymous, professional support groups, etc.). Such letters and reports will be subject to verification by Board staff.
- Recent, dated, letters from probation or parole officers regarding the respondent's participation in and/or compliance with terms and conditions of probation or parole, which should include at least a description of the terms and conditions, and the officer's basis for determining compliance. Such letters and reports will be subject to verification by Board staff.
- Recent, dated, letters from persons familiar with respondent in either a personal or professional capacity regarding their knowledge of: the respondent's character; the respondent's rehabilitation, if any; the conduct of which the respondent is accused; or any other pertinent facts that would enable the Board to better decide the case. Such letters must be signed under penalty of perjury and will be subject to verification by Board staff.

III. DEFINITION OF PENALTIES

Revocation: Loss of a license as the result of any one or more violations of the California Architects Practice Act. Revocation of a license is permanent, unless the respondent takes affirmative action to petition the Board for reinstatement of his/her license and demonstrates to the Board's satisfaction that they are rehabilitated.

Suspension: Invalidation of a license for a fixed period of time, not to exceed a period of one year.

Stayed Revocation: Revocation of a license, held in abeyance pending respondent's compliance with the terms of their probation.

Stayed Suspension: Suspension of a license, held in abeyance pending respondent's compliance with the terms of their probation.

Probation: A period during which a respondent's sentence is suspended in return for respondent's agreement to comply with specified conditions relating to improving their conduct or preventing the likelihood of a reoccurrence of the violation.

Public Reproval: A form of written censure or reprimand placed in a public document that is served on the licensee. It is considered part of the licensee's disciplinary history and public record with the Board.
