Title 16, California Code of Regulations
Division 2, California Board of Architectural Examiners
Article 3, Examinations
Section 120

SECTION 100. CHANGE WITHOUT REGULATORY EFFECT

Pursuant to Title 1, Division 1, Chapter 1, Article 2, Section 100(b)(3), of the California Code of Regulations (CCR), the California Architects Board (Board) hereby submits this written statement explaining why the proposed amendments to section 120 of Title 16 of the CCR do not materially alter any requirement, right, responsibility, condition, prescription, or other regulatory element of any CCR provision.

Subject to the approval of the Office of Administrative Law, the Board would add to, revise, or delete text in the CCR as follows:

Repeal Section 120 subsection (a) Re-Examination

The Board proposes to repeal 16 CCR 120(a) because the addition of Business and Professions Code section (BPC) 5550.3(c) supersedes the provisions of this regulation.

CCR 120(a) deals with a specific scenario where candidates were given full credit for examinations previously passed and credited.

The Board requests repeal of 16 CCR 120(a) because the regulation is inconsistent with and superseded by CCR 5550.3(c). 1 CCR 100(a)(6). Therefore, the Board's proposed repeal may be considered a change without regulatory effect.
